### (xi) Material Alteration and Its effect:

- Any alteration which alters the operation of the instrument and affect liabilities of parties thereto is material alteration.
- Alteration as to date, time, amount, place of payment, parties, are generally considered to be Material alteration.

### Sec. 87: Effects of Material Alteration:

Any material alteration of a N.I. renders the same Void as against anyone who is a party thereto at the time of making such alteration and does not consent thereto

Unless it was made in order to carry out the common intention of Original parties.

Note: Material alteration, if made by indorsee, will discharge the indorser from any liability on the instrument.

### Examples of Material and Non-Material Alteration:

- To be covered (Selj) from the book -

## Permitted Alterations:

(i) Sec. 20: Incomplete Instrument can be filled up by the holder.

(ii) Sec. 49: Holder of an instrument in blank may convert it into full indorsement.

(iii) Sec. 125: Holder of an uncrossed cheque may cross it or may convert general crossing into special crossing or may make it not negotiable.

(iv) Sec. 89: Alteration which is not apparent on the face of the instrument.

Ex: an Instrument- which is not specifically mention about the payment date, is altered so as to add the words, "On demand".
