(1) Factors relevant to Mngt. assessment of G.c :

- (a) Degree of uncertainty associated with the outcome of future events;
- (b) Size and complexity of the entity;
- (c) Nature and condition of entity's business;
- (d) Degree to which business is affected by external factors;
- (e) Judgements about the future based on the information available at the time when judgement is made.

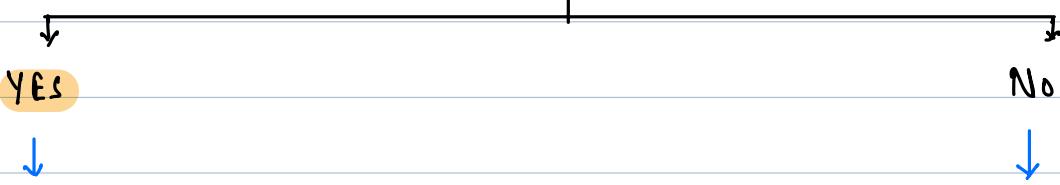

(2) Responsibilities of auditor : — learning + Noting -

(3) Objectives of Auditor :

(4) Auditor's procedures and reporting :

A) Risk Assessment Procedure:

- Consider whether **events or conditions exist** that may cast significant doubt on the entity's ability to continue as a going concern.
- For this purpose, auditor shall determine whether mngt. has performed a preliminary assessment of entity ability to continue as a going concern

Discuss the assessment with Mngt. and determine whether mngt. has identified events or conditions that may cast significant doubt on entity's ability to continue as a going concern; and

Mngt. plan to address such events.

Discuss with Mngt. the basis for the intended use of Going Concern and

Inquire whether events or conditions exist that may cast doubt on entity's ability to continue as a Going concern.

Events or Conditions that may cast doubt on G.C. assumption:

(a) Financial

- Negative operating cash flow
- Net Current liability position
- Inability to pay creditors
- Discontinuation of Dividend
- Non availability of funds for necessary expansion.
- Inability to pay to fund providers
- Adverse financial ratios

(b) Operating

- Labour shortage
- Shortage of raw material
- Loss of major market.
- Emergence of a successful competitor

(c) Others

- Non compliance with statutory requirement
- changes in legal and regulatory requirements
- Uninsured or underinsured
- Catastrophes voluntary or car

(B) Evaluating Mngt. Assessment:

- Auditor shall evaluate management assessment of the Entity ability to continue as a Going concern.
- For this purpose, auditor shall cover the same period as that used by Mngt; or the period specified by Law or regulation, if it specifies a longer period.
- If the period selected by mngt. is < 12 months, auditor shall request management to extend its assessment to atleast 12 Month.

Auditor's duty when mngt. is unwilling to make or extend its assessment:

- Consider the implications for the auditor's report.

- In such situation, qualified opinion or disclaimer of opinion may be appropriate, as auditor may not be able to obtain SAAE.

(c) Performing additional procedures:

If auditor identified events or conditions that may cast significant doubt on Entity ability to continue as a going concern

auditor shall obtain SAAE to determine whether a material uncertainty exist relating to Going concern, through performing additional procedures

Additional procedures may include the following:

- (a) Evaluate Mngt. plans for future actions; whether such plan are likely to improve the situation; whether such plan are feasible to implement.
- (b) Analyse the Cash flow forecast, if available ; Evaluate the reliability of data used to prepare the forecast ; determine whether there is adequate support available for assumptions underlying the forecast.
- (c) Request WR from mngt. and TCGI regarding their plan for future actions and feasibility of these plan.
- (d) Confirm existence of any arrangement to provide financial support; and assessing the financial ability of such parties to provide additional funds.
